

“For the word of God will never fail.”

~ Luke 1:37

1. Have you ever studied for a test so much that you knew you would do well and weren't nervous about it at all?

2. When you work hard and prepare for something, does it make you feel at peace about it or anxious?

3. In this passage, the angel Gabriel is speaking to Mary and telling her about Elizabeth becoming the mother of John the Baptist. When God says He's going to do something, He's going to do it. Period. We won't know exactly when or how or why He'll do it but we can be absolutely 100% certain that things will happen the way that He has said it will. If God makes a promise, He will keep that promise no matter what. Take a moment now to pray and thank God for always keeping His promises and ask Him to help you always trust in those promises and God's trustworthiness.
